## COURSE DESCRIPTION

The Cedars-Sinai 20th Annual International Symposium on Pancreatic and Biliary Endoscopy teaching conference will be held in cooperation with three major endoscopy centers in Los Angeles, New York and São Paulo. Balanced viewpoints, special techniques and practical clinical approaches will be presented throughout the program by renowned international faculty who bring unique knowledge, skills and excitement from North and South America.

Collaborating with Claudio Navarrete, MD at the Clinica Alemana de Santiago, the program will feature transmission of live procedures from Santiago, Chile. Together with multiple transmissions from Cedars-Sinai Medical Center, a total of 11 hours of ERCP procedure demonstrations will be offered so that participants can witness the different skills and equipment used to treat various pancreatic and biliary conditions.

This year's special features include:

- Eleven hours of ERCP procedure demonstrations telecast live from Cedars-Sinai Medical Center and Santiago, Chile
- Twenty clinically coherent and carefully chosen didactic topics, including current literature review
- Ample time for questions and discussion throughout the program
- Case conference to apply technical skills to challenging clinical scenarios
- Concurrent GI Fellows' Program
- Bonus Session for GI Fellows and Nurses

## TARGET AUDIENCE

This educational activity will provide an intensive and comprehensive review of pancreatic and biliary endoscopy for gastroenterologists, gastroenterology fellows and gastroenterology nurses in attendance.

## EDUCATIONAL OBJECTIVES

- Shorten fluoroscopy time during ERCP and improve reporting of the procedures
- Perform cholangioscopy safely and effectively without adding unnecessary procedure cost
- Apply the alternative treatment options to ERCP including, transluminal direct biliary drainage, internal biliary rendezvous, pancreatic ductal access, pancreatic fluid
- Recognize the roles of endoscopic ultrasound, ERCP, MRCP and pancreatoscopy in diagnosing Intraductal Papillary Mucinous Neoplasm (IPMN)

## ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 21.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## RADIOLOGY AND FLUOROSCOPY

11.0 credits of the course (specific to ERCP demonstrations) may meet requirements in the State of California toward renewal of the radiology and fluoroscopy supervisor license.

## CONTINUING NURSING EDUCATION

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal.

## INTERVENTIONAL FELLOWSHIP

Gastroenterologists interested in applying for an Interventional Endoscopy Fellowship are invited to contact Simon Lo, MD. Send an e-mail with your contact information and "interventional endoscopy fellowship" in the subject line to [simon.lo@cshs.org](mailto:simon.lo@cshs.org). You may also want to attend the optional interventional fellowship lecture on Saturday (see program agenda).

## POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

## ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Cedars-Sinai Medical Center gratefully acknowledges the independent educational grants and in-kind equipment in support of this activity from **Cook Medical** and **Olympus Corporation of the Americas**. Additional commercial support is pending and will be disclosed at the symposium.
